## Summit commUNITY Camp: Uniting for faith, fun and friendship

For the past seven summers, Summit churches have been coming together for faith, fun and friendship! Learning about the Bible, our kids have a great time doing crafts, playing games, dancing, and doing service. We are excited to welcome children from 3 years old (with previous "school" experience) to 5th grade as campers, and youth in 6th grade and above as crew leaders and helpers.

- **commUNITY:** Welcoming children from different faith traditions, backgrounds and abilities, we work to make every child feel welcome. We use small crews for each child.
- **Before and after care:** We offer before care for every camper at 8:00 am, and after care for in partnership with the Summit YMCA in their Summer Sidekick Program.
- **Service:** Kids bring granola bars in each day, and on Friday, we team with Bridges and spend the whole morning making sandwiches, packing hygiene kits, preparing cards and decorating bags.
- **Curriculum:** We will be using Orange's Focus curriculum this year. Each day we have opening and closing worship and 5 different stations to rotate through: service, crafts, games, Bible, and music.
- **Groceries:** We partner with GRACE Outreach to distribute groceries to any family in camp.
- **COVID-19 Precautions:** At commUNITY Camp, we want every camper to have a safe and fun experience. We will do daily temperature checks and health screenings and contact tracing for every camper and volunteer. We are asking all campers to comply with quarantining guidelines for out of state travel, and exposure. In addition, all campers and staff will wear masks, and we will have hand sanitizing stations throughout our camp. We are limiting the number of campers and volunteers, and our camp will take place outdoors, and using "crews" we will limit interactions between kids. Finally, although we will allow dancing, we will not be singing as part of camp this year.

We want your week with us to be fun, safe, and nurturing to you and your family. We would love to hear about how to best support you and your family during your time with us. Does your child need behavior supports? Are you new to town and looking to meet other families? Would you like help connecting with one of our faith communities? Please let us know- we are delighted to have you and your family as a part of our commUNITY. We also have lots of ways to help and to get involved- do you like to decorate, lead or help with service? Great! We would love your help! We need people to send in snacks, and to clean up too. For more information, email Pastor Deborah at [dhuggins@centralpres.org](mailto:dhuggins@centralpres.org).
