## A Letter from the Pastor

Beloved,  
as we turn our hearts to Advent and Christmas, I give thanks for all of you at Central Presbyterian Church! I am grateful for your faithfulness and presence as we continue to navigate this interim season together. Committee as they search for the new senior pastor. As reflected in the theme for our annual Stewardship campaign, we have a **future with hope!**

My heart-felt prayers remain with Central Church as we turn into the Advent and Christmas season. You are invited to join in the many ways we will worship, serve, and celebrate this sacred season. Please take time to read through this edition of **The Key**. We

welcome your presence, participation, support, and prayers. Let every heart make him room!

## A Pastoral Note for the Holiday Season

On Sunday evening, November 10, we had a fabulous gathering in the auditorium at the Church. Charity and her wonderful percussionist colleague, Andy Blanco, played a musical score to two holiday favorites: *It's the Great Pumpkin, Charlie Brown* and *A Charlie Brown Christmas*. It was a very fun and engaging evening for all the young and young at heart who gathered.

It had been some time since I had seen *A Charlie Brown Christmas*. I was struck by how hard Charlie Brown worked to communicate to his circle of friends that he was not feeling the Christmas spirit. Throughout the show, he shared that he was feeling sad and depressed. I was touched by Charlie

Brown's honesty and vulnerability, for it can be very common to feel these emotions as we turn into the holiday season. The stretch from Thanksgiving through New Year can be very difficult especially if you are navigating a significant change, illness, or loss in your life. The stress and demands of the season can add weight to our feelings as well.

If you are feeling a heavy heart this holiday season, we encourage you to let someone know. Your pastors and parish associate for spiritual formation are available for conversation. Often naming what you are experiencing is a first step toward feeling better. It can

also be very helpful to be with others. Attending worship services, prayer or study groups, or other special events can provide support. Also, give yourself permission to change a tradition or routine. It can be such a relief to allow ourselves to do something new or let something go.

Finally, like Charlie Brown, we invite you to lean into the true meaning of this season. The candlelight and the starlight remind us that we have a light that shines in the darkness and the darkness will never overcome it. With love and prayers from your pastoral team,

-Jan Ammon

## Stewardship 2025

The 2025 Stewardship Campaign, *A Future with Hope*, was launched on October 13! Letters containing pledge forms were mailed to those who are members or have pledged in the past. If you have not had the opportunity to respond with a commitment form, we would still love to hear from you. If you are in need of a form, you may [download one here](#), or fill in the online Google form by following [this link](#). We are very grateful for your financial support of Central Church as we anticipate the arrival of a new senior pastor in 2025. We indeed have a very exciting Future with Hope!

## A Concert for Children on December 4

Central's Music Director, Charity Wicks, will live-score on the piano a narrated interpretation of **The Nutcracker**, perfect for preschoolers and kindergarteners on Wednesday, December 4, at 11:00 a.m. in the church auditorium. Lasting just under an hour, the event is free and open to the public. Introduce your children or grandchildren to the wonders of classical music and holiday magic!

## Living Nativity: Saturday, December 7

This year the Living Nativity will be held on Saturday, December 7 from 4:30 to 5:30 p.m., on the Maple Street lawn. The first Living Nativity was held in December 2011, and quickly became a beloved Summit tradition, with hundreds of visitors enjoying the show each year. Make sure you don't miss the festivities this year!

The Living Nativity is a church-wide event with children and adults in costume re-enacting the first Christmas. It's held on the Maple St Lawn and lasts for one hour. There are 4 scenes with narrators, "actors" and live animals. Donkeys, sheep, goats and ponies make regular appearances, and they are joined by a revolving cast of cows, alpacas, chickens, ducklings, baby pigs and bunnies; a wonderful menagerie helping

to bring the Christmas story to life.

We also offer complimentary hot cocoa and cookies, plus to-go crafts. This event is free and open to the public, but we rely on our church members to help out in various ways. We need children ages 4 and up and teenagers to participate in the Nativity, as well as adults to act as docents. Costumes are provided and there is a costume fitting the day before the Nativity. We also need volunteers to bake cookies

in advance, and other volunteers to help serve the cookies and cocoa and also to help distribute the crafts. If you're interested in participating, or having your children participate, or otherwise volunteering, please use the signup genius here:

## Pastor Nominating Committee Update

The PNC is honored to serve the congregation in the search for our new Senior Pastor. Since last August, we have met twice a month, focused on creating the MDP (Ministry Discernment Profile) for submission to the Presbytery, in order to call our next Senior Pastor. The team has leveraged various sources, including the CPC Mission Report and input from Jan and Deborah. The team is fortunate to have ongoing guidance from the Presbytery representative, Greg Horn, who is pastor in Upper Montclair.

After much thought and prayer, the PNC provided the MDP to Session and met with them on November 11th. Session expressed their appreciation for the team's work and supports moving forward with the submission to the Presbytery for final review and approval on December 5th. The Presbytery will then post the MDP on the pcusa website.

The team will notify the congregation when the MDP has been approved. Please note that we are setting up a separate website for self-referrals, which we will also announce. Once the MDP is approved and posted, we will begin the process of interviewing potential candidates for the senior pastor position.

Thank you for your good wishes and prayers, as we move forward on this journey.

Noni MacPherson and Jessica Mills  
Co-Chairs, PNC

## Music Ministry Receives Grant from CCF

The Music Ministry at Central is extremely grateful for the support of our Concert Series, by both members of this congregation and community attendees as well. We are especially thrilled to announce that we have received a \$1,000 grant from the Central Community Foundation in support of these concerts! This generous grant will help us to continue to bring in exceptional artists for varied programming throughout our beautiful church spaces. Our Concert Series is a form of outreach in the community, and this grant will help us to reach a broader audience in Summit and beyond. Many thanks to the Central Community Foundation for its generosity and support!

## Mission Spotlight: Greater Life

Maria had a hard start to her life, born in the projects of Pittsburgh, PA, and becoming homeless as a child with her mother and siblings. Once they relocated to Compton, CA, they found support in a local church and community center, who assisted the family in getting on its feet and enabling the children to finish school. With this support in place, Maria was able to attend college at William Penn University in Iowa.

“God had a plan,” Maria says. “I prayed ‘God, I only want the husband YOU want for me, even if he is cross the country!’”

Across the country in Summit, NJ, Michael Westbrook attended Fountain Baptist Church and graduated from Summit High School. Having family in Newark, Michael became familiar with the needs of the people there, and planned a life of ministry. God compelled him to attend William Penn University. While attending college, he met Maria at Christian events on campus, and they fell in love, later marrying at Fountain Baptist 40 years ago.

Shortly after their marriage, Michael and Maria, while working Young Life, a US Urban Mission, decided to form

and co-found Greater Life to provide assistance to the Newark community.

Michael is President and CEO of Greater Life, a mission partner of Central Presbyterian Church. Maria serves as the VP of Administration and Finance. Together they grew a two-building outreach center in the South Ward, serving the displaced, underserved, housing insecure, at risk population. When residents had nowhere left to go, Greater Life stepped in to help.

L. Parks and Micheline Shipley Jr., Central Church members, introduced the Westbrooks to Central, which Michael remembered visiting as a school field trip to see the pipe organ and attended the Summit Youth Center at Central as a youth.

Working closely with the Shipleys, Warren & Virginia Braunwarth and the Mission Team, Central helped grow Greater Life to eleven staff members, reaching 3,000 per year and growing the capacity of their ministry. Greater Life now offers an after school drop-in center for youth, a food pantry that serves 400 people weekly, a family resource center for referrals, health needs, housing, and

homelessness prevention, and education enrichment on Saturdays and summers.

“We wish to express the depths of gratitude to Central and the Mission Team, including Kevin Hill and Bill Anderson, for the love, care, personal connection, and the support for us. It fuels us to keep doing the work of the Lord,” Maria said. “We also appreciate Pastors Jan Ammon and Deborah Huggins for their embrace and the leadership of Central Church,” of which Michael joyfully resonated!

#### TREASURER'S COMMENTS

Total income is better than plan through the third quarter of the fiscal year. This is from regular giving, i.e. pledge donations, Sunday collections and contributions towards Per Capita as well as building use which is primarily WNSK. There was a donation of \$50,000 in the quarter specifically for the Bluestone project which contributed to the total income over plan at the end of the quarter. Please note that in 2023 for the same period, Central received a large bequest.

Expenses continue to be managed well and are also below budget in total. Expenses have increased over the same period as last year. Costs have also increased in general over the same period as last year. Central expects to require additional funds from the unrestricted endowment above the budgeted draw of 4% to fund regular operations during the year.

The Mission Endowment continues to exceed \$3 million even with distributions through the third quarter.

## Spirituality Corner

Give the Gift of Presence this Advent Season

I have found adding a spiritual practice to the season can make it much more meaningful and in surprising ways. Try the the practice of being fully present. The gift of presence is the idea of being fully engaged in the present moment, both mentally, emotionally and physically, with whatever you are doing and with the people you are with. When we are fully present we are not thinking about the future or ruminating about the past—we are simply right here, right now, paying attention so we can enjoy this moment. Try this Advent practice by author Joyce Rupp.

-Pam Robertson

### THE PRESENT OF PRESENCE

Here are two possible ways to be with someone:

- (a) be physically present with another or
- (b) be present "in spirit" by deliberately sending prayer, compassionate thoughts, and kind feelings toward another person or group.

Either approach could be appropriate for each of the following suggestions:

- Be with someone who needs you.
- Be with a person who gives you hope.
- Be with those who live in terror and fear.
- Be with an older person.
- Be with someone who has helped you to grow.
- Be with one who is in pain.
- Be with a war-torn country.
- Be with yourself.
- Be with someone who has written to you.
- Be with a child.
- Be with a refugee who is fleeing from harm.
- Be with an enemy, or someone you dislike.
- Be with a farmer losing his or her land.
- Be with someone who has terminal illness.
- Be with the homeless.
- Be with those who suffer from substance abuse.
- Be with hungry children.
- Be with a coworker.
- Be with those whose hope is faint.
- Be with world leaders.
- Be with someone in your family.
- Be with men and women in prison.
- Be with someone working for justice.
- Be with those who are abused and neglected.
- Be with your loved ones.

*Continued on next page.*

## Spirituality Corner, continued

God of love, you were so generous, sending the presence of your Beloved to dwell among us and to tell us who you are. Encourage me during this Advent season to continue in the sharing of this loving presence through my attentiveness, given in prayer and deeds. You who dwell within me, remind me often to let go of my busyness and my hurriedness so that I can be with others in a loving way. Convince me that "being" is as important as "doing." Thank you for your strengthening presence. Thank you for being with me. Amen.

Each of the above suggestions could be written on an index card and placed in the center of an Advent wreath. Draw one card out each day. The concluding prayer could be prayed each day after drawing the card out.

## Central Student Interns with Nomi Network

Hi all, my name is Josh Moore, I am a junior at Elon University currently studying Strategic Communications. I have been an active member of Central Presbyterian Church since I was about six years old. Fourteen years later, the community that I have found in Central has helped me explore my own faith, given me countless memories with some of my closest friends, and even some donuts after sermons at take five. Most recently though, Central has given me the incredible opportunity to intern with the wonderful people at Nomi Network.

For those who don't know, Nomi Network is a non-profit organization dedicated to ending cycles of violence for young women across the globe who are

at risk to be trafficked. Nomi supports these women in any way that they can, from furthering their education, to teaching skills, to helping them open their own businesses.

During my time this summer, I was able to work with a small, but extremely dedicated strategic communications team. Due to the size of the group, and due to the positive team-based environment, I feel like I got the chance to really contribute and make a positive impact on the world. I was able to work on graphics for social media, research CRM models, put forward my own ideas for growth, edit together footage for a video campaign that I helped conceptualize, and so much more. I consider myself incredibly lucky to have had the experience that I did last summer, and to

have the chance to apply the skills that I learn at school to an amazing cause. I am extremely grateful for the opportunity provided by the Central mission team, and the incredible people both on the Nomi board of directors, and within the organization itself. I learned so much about the world, my faith, and the field of study that I am passionate about, and I will absolutely bring everything I have learned into my life moving forward.

Once again, thank you to everyone who made this experience possible.

-Josh Moore

## Children and Youth

This fall has been a time of transition. At home, we had two go to college the same week, and only one child left at home. This fall's games, school traditions, and times with her friends have become even more special. Change is hard- and it brings up feelings of loss, changes of identity, and changes to how we do things. It also brings new joys- the joy of short trips to see our kids, the joy of adult relationships, and the joy of a cleaner house, with more food in the fridge. The same thing is reflected in our church, as we go through this season of transition and change at Central.

We are so excited that our Pastor Nominating Committee has completed our church's discernment profile. We invite you to pray for them as they begin the big task of listening for God's will for the new pastor of this church. In the next weeks and months, they will be accepting profiles, calling people, and meeting them face to face. It's a huge job- and so exciting. I hope that you will join us

in praying for them- both for this process, and for the other parts of their life - that they will feel supported and cared for as they give this gift to our church.

We also invite you to pray for our new pastor- pray that they are hearing God's call in their life to come to Central, we can ask that God is with them in their transition, and help to prepare them for life with us at Central. Change is hard for everyone- and whether it's discerning from different applicants, or making a move, we know that God's grace and presence makes everything easier.

A few days ago, I was thinking about the changes in our home- and thinking about the blessing of that change. God's grace and presence during all of the changes in our lives are what makes them possible. We are so grateful for God's constancy and grace through these wonderful

and exciting changes. As the holidays approach, time with family is the gift I will be enjoying the most.

For our kids, we know that traditions and rituals support their resilience through changes. Whether it's the tradition of a pageant or all of the fun of the last year at a school, or gathering around the table with a candle, we invite you to look at this upcoming season of Advent, "waiting," as a special time to revisit those traditions. Look for times to connect with your kids. We are making some fun Advent kits at the church- complete with a list of movies, and popcorn. We hope that in snuggling up on the couch to watch a movie- sharing some popcorn- lighting candles, praying and singing, that your family will feel not only love, joy, peace, and hope, but maybe the special reassurance of God's presence with you all season long.

-Pastor Deborah Huggins

## Confirmation

We are welcoming seven young people and their mentors into Confirmation this year. Each young person chooses an adult mentor to join with them during the year, to complete projects together, and to work on assignments. Our hope is that throughout the year, our young people will understand their skills and passions as gifts from God, and that they will learn to use them in service to the world. Freidrich Buechner taught us that where our deep joy and the world's deep need meet, that we will find God.

During class, we focus on three areas: community service; service in the church; and worship. During our first unit, our young people served Bridges, SHIP, Grace, Summit Luminary Fund. They reported on not only the good that they did in the community- but also the joy that they felt with Christ. We can't wait to see all the ways that they will serve the church in their next unit. Please join with me in praying for our young people as they go through this journey together.

### CPC Weekday Nursery School & Kindergarten

CPC Weekday Nursery School welcomed 142 families and 166 children for the 2024-25 school year. The start of the school year has been a time of adjustment and growth as children get acclimated to their new classroom environments, teachers and classmates.

An unseasonably mild end of summer and start to autumn has provided children a lot of outdoor

learning opportunities. The change of seasons has been evident and children have been using their observational and sensory experiences to

engage in exploring and learning about the seasonal changes.

When children learn about seasonal changes, they are understanding how the natural world around them transforms, like weather shifts,

plant life changes, animal behaviors and length of daylight as key indicators a new season is upon us. Children are learning about the cycle of nature through these visible transformations and exploring the natural world through their curiosities and experiences.

We embrace and take advantage of the curiosities

that children have. These curiosities provide rich opportunities for learning, growth and connection. We have enjoyed the beautiful fall weather and seasonal changes through the eyes of children and are looking forward to seeing all the children grow and develop through all the seasons.
